

# SSI Mission, Vision, and Values Statements

## **Mission Statement:**

To deliver the best client experience and value for our Federal/Government partners by providing assured support in all aspects of their missions.

## **Vision Statement**

To be the preferred partner for readiness and full-service support for our clients across the U.S. and its territories.

## **Values Statement: United in purpose, Driven by excellence**

### Character:

- We hold ourselves to the highest standard of ethical behavior.
- We operate transparently and communicate with honesty and courage.

### Commitment:

- We are committed to the interests of all stakeholders: our country, communities, clients, and employees...who as part of the ESOP own SSI.
- We treat others fairly and courteously and value different views and experiences.

### Competence:

- We promote a safe and secure workplace while ensuring quality in all we do.
- We deliver the readiness our clients require across their respective missions.
